

Negotiated Rulemaking Session

DOCKET NO. 16-0319-1701

Facilitator: Steve Millward, Manager
Program: Certified Family Homes

Department: Health & Welfare
Division: Licensing & Certification

I. Purpose of Meeting

- a.* The Department is holding negotiated rulemaking meetings on IDAPA 16.03.19, “Rules Governing Certified Family Homes,” to update and revise certification requirements for Certified Family Homes operating in Idaho.
- b.* Negotiated rulemaking is a process in which interested persons (such as providers) and a state agency seek consensus on the content of a rulemaking. The process is generally informal and flexible.

II. Follow Up

- a.* Written comments for negotiations in Docket No. 16-0319-1701 are to be submitted on or before June 9, 2017:

Steve Millward, Manager
Certified Family Home Program
P.O. Box 83720
Boise, ID 83720-0009

- b.* Meeting participants will be emailed a comment summary with responses by the end of July and a draft of the proposed rules.
- c.* If requested, the Department will hold formal public hearings on the proposed rules before they go before the Board of Health & Welfare for their consideration.

III. Discussion Points

- a.* Statute vs. Rule.
- b.* Licensing & Certification vs. Medicaid.
- c.* Floor open for discussion using the Negotiated Rulemaking Session Topics document as a guide.
